

Test Certificate in Compliance with the Device Safety ACT

Certificate-no.: 00USS1240-01

Certificate holder: ChemFree Corporation
8 Meca Way
Norcross, Georgia 30093, USA

Manufacturing site: ChemFree Corporation
8 Meca Way
Norcross, Georgia 30093, USA

Product: Parts Washer

Type: Smart Washer Model 05
Smart Washer Model 15

Description of product: 220 - 240 Vac, 2.5 A, 50 / 60 Hz

Test report no.: J97*30196-001 of March 2000

Tested according to: IEC 335-1:1994
EN 60335-1:1994 + A11:95

Result: The above-designated device is in compliance with the judicial requirements of the device safety act or the currently accepted rules of technology as well as the work protection and accident prevention regulation and complies with §3 of the device safety act.

Valid until: 6 April, 2005

The certificate holder or his designated representative commit themselves to manufacture the product in accordance with the tested samples and to enable ITS to monitor the manufacturing process and the lawful use of the GS-designation.

This certificate becomes invalid if the holder does not meet the commitments described above or the requirements according to the §3 of the device safety act changes.

The type examination certificate gives the certificate holder the right to mark all devices that are identical to the above designated sample with the logo shown below.
